

HOW TO KNOW MEDICINE IS GENUINE OR NOT

Very useful information and you must make a note of the number to check about the medicine you have bought is genuine or not.

IF YOU WANT TO KNOW THAT THE DRUG WHICH YOU BROUGHT FROM THE STORE ARE ORIGINAL OR DUPLICATE IS JUST BY EASY 3 STEPS.

BEHIND THE EACH MEDICINE THERE IS ONE NUMBER WHICH IS THE UNIQUE ID NUMBER.

JUST MSG THAT NUMBER TO 9901099010

AFTER 10 SEC. YOU WILL GET ONE RESPONSE MSG

IF THE MEDICINE IS ORIGINAL THEN YOU WILL GET THE REPLY WITH THE PROPER BATCH NUMBER AND THE NAME OF THE PHARMA COMPANY

WHICH YOU CAN CROSS CHECK WITH YOUR STRIPS OR ANY MEDICINE WHICH YOU BROUGHT

AND IF THE NUMBER IS NOT MATCHING THEN YOU JUST HAVE TO RESEND THE SAME MSG SO THE COMPLAINT WILL BE REGISTERED.
