**Heavy load - little fly on a small white flower**

# Buddhist Monastery of Ki, Himalayas

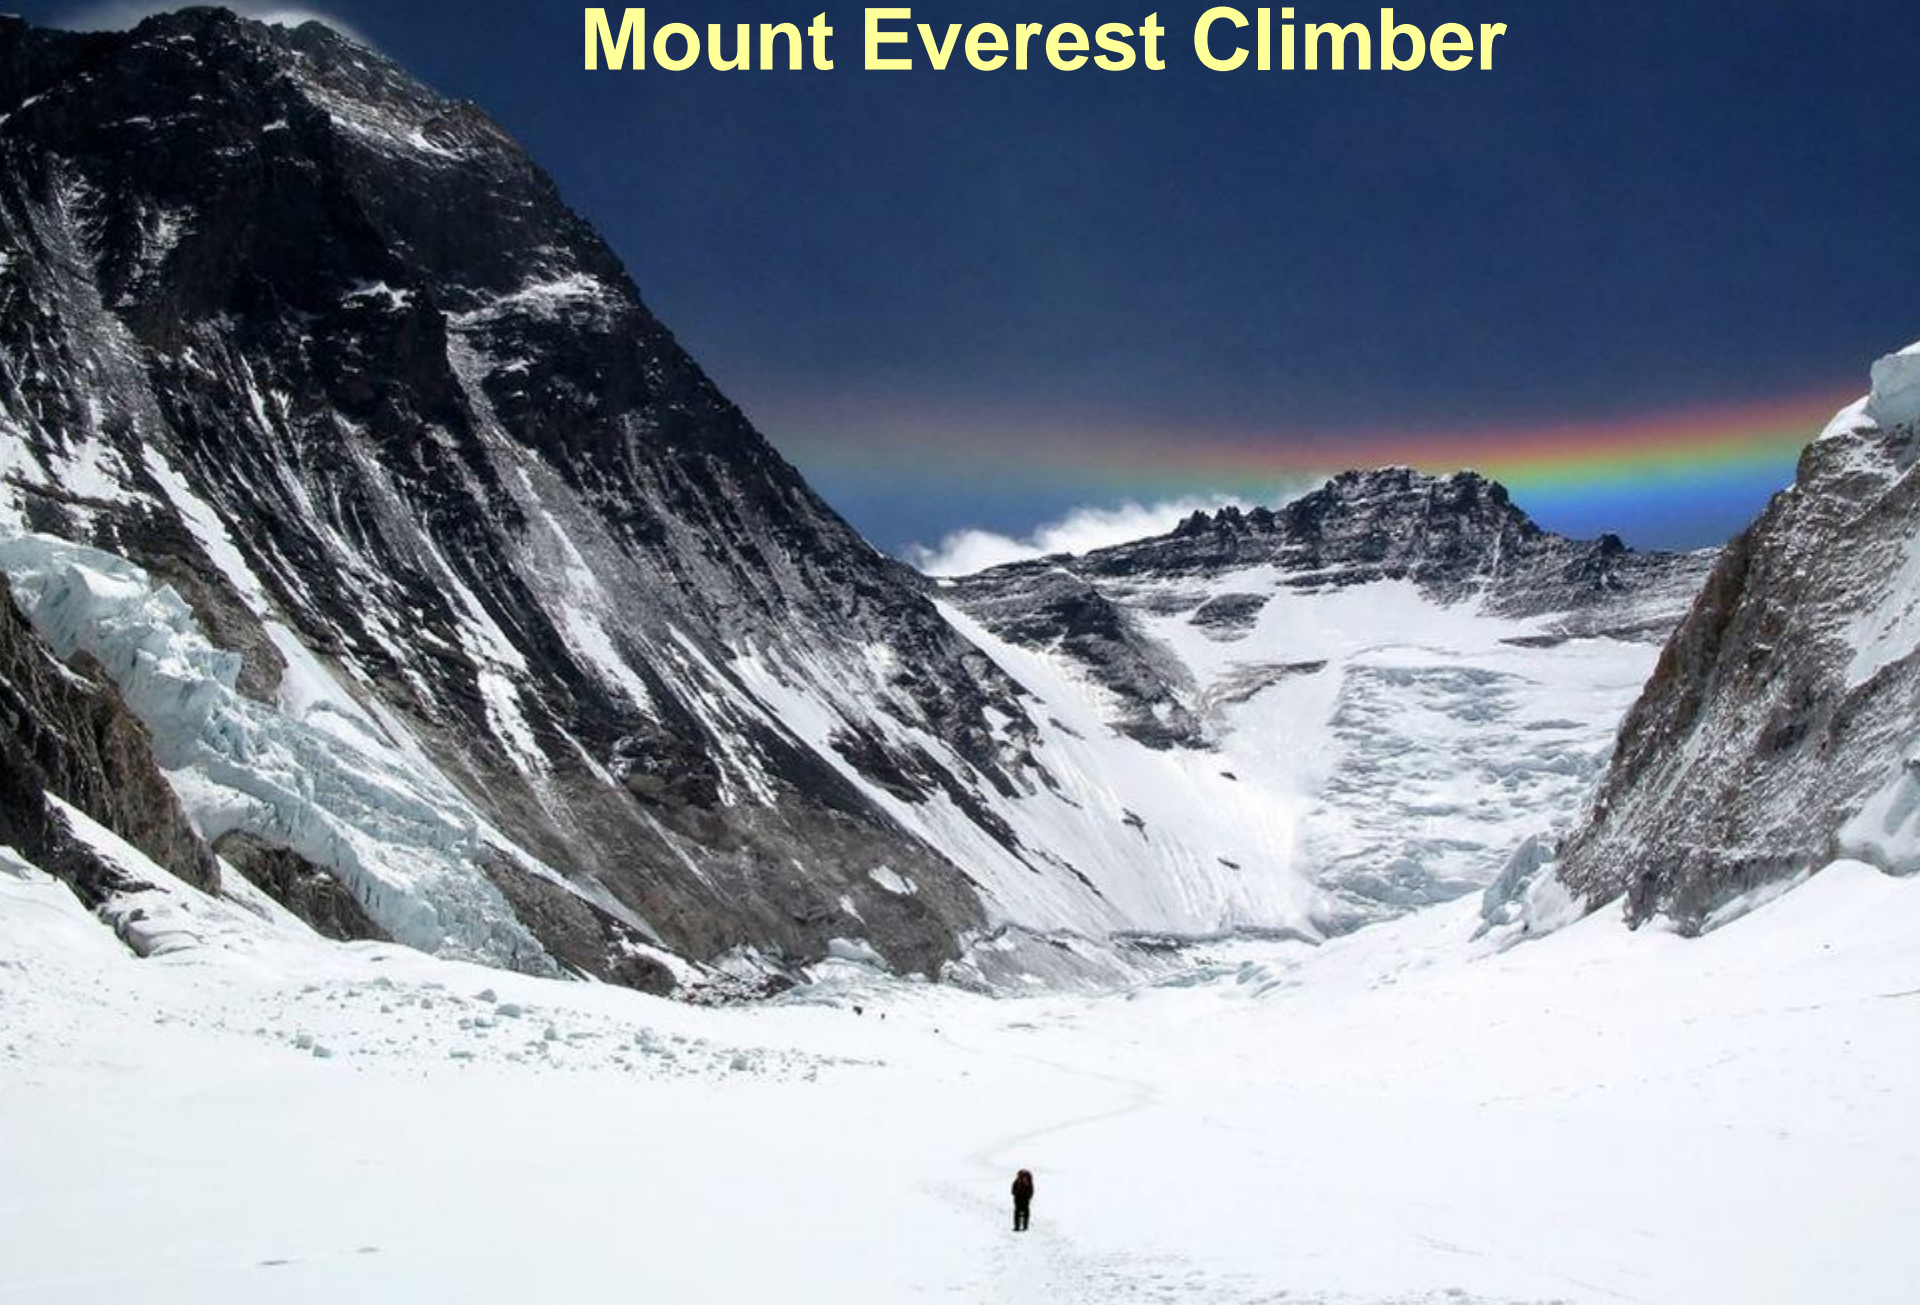

An aerial photograph of Peyto Lake in Alberta, Canada. The lake is a striking, vibrant blue, reflecting the sky and the surrounding landscape. It is nestled in a valley, surrounded by dense evergreen forests. In the foreground, a rocky outcrop is covered in snow, with several small evergreen trees. The background features majestic, snow-capped mountains under a clear blue sky. The overall scene is a beautiful winter landscape.
